## SUMMARY

I am a dedicated and adaptable machine learning student with a strong foundation in software and application development. I have a keen interest in problem-solving and continuously enhancing my technical skills. With effective time management and a proactive approach, I excel both independently and in collaborative team environments. I am eager to apply my knowledge and contribute effectively in a dynamic professional setting.

## EDUCATION

### Anurag University

Bachelor of Technology , Computer Science and Engineering

2022 -  
2026

Grade  
: 8.16  
CGPA

### Times Junior College

State Board Intermediate

2020 -  
2022

Grade  
: 810

### Brilliant Grammar High School

SSC 10th Standard

2010 -  
2020

Grade  
: 9.7  
CGPA

## EXPERIENCE

### Codetech IT Solutions

Power BI Intern

Jan  
2025 -  
Mar  
2025

- Designed and developed a comprehensive Sales Performance Dashboard in Power BI to track KPIs such as revenue, profit margins, and regional sales trends.
- Utilized Power Query for data cleaning and transformation, and DAX for calculated measures and dynamic visuals.
- Integrated data from Excel and SQL sources to build a reliable data model for reporting.
- Delivered actionable insights to help improve sales strategy and business decision-making.

## PROJECTS

### LabelXpose AI - Food Label Fraud Detection System

Dec 2024 - Jan 2025

- Developed an AI-based system to detect food contamination using computer vision techniques.
- Leveraged image classification models trained on labeled datasets for real-time contamination detection.
- Utilized Python, OpenCV, TensorFlow, Keras, Flask, and Matplotlib to build and deploy the system.

### Local Vendor Review System

Mar 2025 - Apr 2025

- Built a web application for users to discover, review, and rate local businesses.
- Integrated review moderation, search, and filtering features for an improved user experience.

- Utilized Java (Spring Boot), SQL, HTML, CSS, and JavaScript to develop the application.

## CERTIFICATIONS

---

**IBM AI Engineering Professional Certificate**

**IBM Machine Learning Professional Certificate**

**Essentials of Cybersecurity**

**HackerRank Java Certification**

## SKILLS

---

- **Technical Skills:** C, Machine Learning, Python, Java, HTML, CSS, JavaScript, MEAN Stack (Express.js, Angular.js, Node.js, MongoDB), Microsoft Power BI, SQL
- **Soft Skills:** Time Management, Team Work, Leadership
